

# Hand's Best Friend.

## Aurelia® Examination Gloves

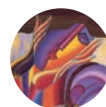

Aurelia® examination gloves have a new, contemporary look with the same comfort and quality you have grown to trust. The leading manufacturer of exam gloves, Aurelia, has also created new brands and products to address your individual preferences. Like the new **Protégé™** stretch nitrile powder free. And the patented **Refresh™** Honeycomb® Textured peppermint scented powder free latex, or **Distinct™** Honeycomb® textured powder free latex. The **Velocity™** triple-cleansed powder free latex delivers maximum purity. Aurelia offers a full range of ultra-ergonomic gloves that your hands will appreciate. Just like a best friend.

Aurelia gloves are available through your preferred distributor. For more information, visit [www.aureliagloves.com](http://www.aureliagloves.com).
